

Cow Tales

VOLUME 22 . ISSUE 8

AUGUST 2007

President's Corner

Are you as busy as I am this summer? Seems like a lot of us are in over our heads with work and personal commitments. As a team, we couldn't get all the information gathered and articles written in time to produce the quality newsletter that you've come to expect. So we'll just update you on the most pressing information and wow you with the September newsletter.

You may or may not have heard the very sad news that Don King, master saddle maker and leathercrafter, died July 28th at the age of 83. Our thoughts and prayers go out to his family during this time of sadness. Our craft has lost a legend.

A swivel knife salute to Tandy Leather Factory and C.S. Osborne who renewed their advertising for another year.

We're still hoping that others will do the same. Remember to encourage vendors you know to consider an ad in **Cow Tales**. It reaches over 90 members monthly and is posted on our website. And on top of that, other leather websites have links to our site.

And lastly...

Uncle George

Needs You!

The guild continues to be very busy preparing for the 2007 IFoLG Show and we need all the volunteers we can rustle up. The next Guild meeting will be at Hide Crafter Leather Company on **August 14th** at 7:00 pm to work on Alamo centerpieces and discuss Show business. The next IFoLG meeting, open to all, is scheduled for **August 18th** at HCLC at 1:00 pm.

Until next time,
keep on toolin'...
